Circle type of request: Animal Rabbit Fowl

1. I confirm that the site to be used lies within the boundaries of the agricultural district.
2. I understand for animals there shall be one (1) acre of land exclusive of the residence or business building. The number of animals shall not exceed one (1) animal per one-fourth (1/4) acre of land
3. I understand that I am allowed one (1) rabbit or fowl per nine (9) square feet of area.
4. I understand that the shed, shelter or coop shall contain not less than two (2) square feet for each rabbit or fowl.
5. I understand that the shed, shelter or coop shall not be closer than fifty (50) feet to any dwelling, place of business or street.
6. I understand that manure must be removed daily from the town of Ordway or shall be stored daily in a fly-tight container and that contents of fly-tight container must be removed daily.
7. I understand that spillage and left overs from animal, rabbit or fowl feedings must be removed or so disposed of as to prevent fly or rodent propagation or creation of odors.
8. I understand that all sheds, shelters for such animals, rabbits or fowl shall be kept free of rodents and shall be thoroughly sprayed with insect spray and deodorant at intervals not less than twice each week during month June to September, inclusive of each year and shall be kept in good repair and fresh coverings of straw, wood shaving or corn cobs Shall be placed on the floor each day.
9. I understand that drinking facilities shall be provided with adequate overflow to prevent saturation of surrounding soil.
