

Animal, Rabbit or Fowl Permit Application (continued)

Below, the applicant must provide a layout of the property that includes dimensions of property to include square footage of where animals, rabbits or fowl will be held as well as distances to neighbor's property, buildings and streets where animals, rabbits or fowl will be held.

10. I understand that the premises upon which animals, rabbits and fowl are kept shall be maintained in full compliance of Section 6.08.030 and shall be subject to inspection by the town superintendent or other authorized representative of the town, at all reasonable hours. It is unlawful for any person to refuse to allow such inspection or refuse or prohibit entry upon premises for purpose of making such inspection.
